PSB 775 AA Encouraging the use of Technology-based tools by Poll Workers.

My Name is Judith Beaudreau; I am an Election Administrator / Registrar of Voters for the Town of Vernon, CT. I would like to support Senator Ayala in proposing this bill and suggest that this be incorporated into a similar bill raised here today RHB 6428. We are in 2013 and really should meet the demands of the current lifestyles of our voters.
